## Fastaval 2010

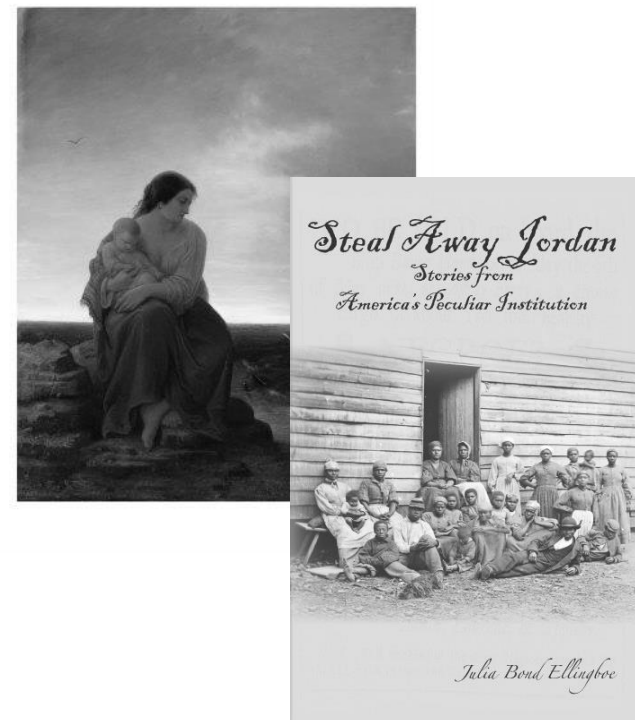

**Julia  
Bond  
Ellingboe**

*Julia Bond Ellingboe* er en rollespilsdesigner fra Massachusetts, USA. I 2007 udgav hun sit første spil, det kontroversielle og anmelderroste **Steal Away Jordan**. I 2008 blev hun fanget af live og jeepform, da hun spillede *The Upgrade!* og Emily Boss's *Under My Skin* på Dreamation i New Jersey, USA. Det følgende år deltog hun i et lokalt *Vampire: The Requiem* live. Hun er i øjeblikket ved at lægge sidste hånd på ***Dream of the Fisherman's Wife***, mens hun jonglerer med flere andre projekter, herunder *Malice*, et spil inspireret af 1970's horrorfilm, og *Murder Ballad Blackjack*,

en blanding af kortspil og *Murder Ballads*. Når hun ikke designer og spiller rollespil, arbejder Julia med autistiske børn.

På Fastaval kan du deltage i **What to do about Tam Lin?**, et spil Julia har skrevet med sidste års æresgæst, Emily Care Boss.

Du kan møde Julia i Fastavals café fredag 16.30 – 17.30.

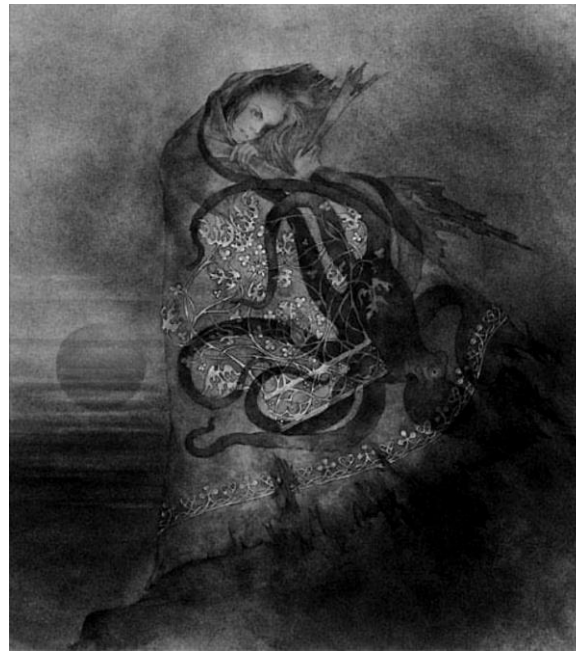

Julias besøg er arrangeret af **Bifrost**.
