Technical stuff

Internet:
To access internet through WiFi connect to KK public.

Printing:
If you want to use **wifi printing** you must connect to **PapPrint** with the code "PapJam18".

When printing take into consideraition how much ink you use. Don't do full pages of colour until your final version. Outlines will typically work just as well.

IMPORTANT INFORMATION

Doors!
The door to the jam-room should be kept open throughout the event except during the night. Should it get closed the code is 845346.

The double doors from the jam-room leading outside MAY NEVER BE OPENED. They wil set off the fire alarm.

Late in the evening and throughout the Sunday, you will need a 'Sundhedskort' to access the location. Just swipe your card at the entrance. In case it doesn't work - wave your hands like crazy until someone opens :)

Food and drinks!
While the café in the lobby is open you can buy beer, snacks, sodas, and coffee there for reasonable prices.

When it is closed we will open up a small café where you can buy a limited assortment of beers, sodas and snacks - and cheap coffee.

YOU ARE NOT ALLOWED TO BRING YOUR OWN BEVERAGES FROM OUTSIDE, such is our deal with the venue.

But you may freely bring your own food.
