

# PAPJAM SCRATCH!

## WHAT IS PAPJAM SCRATCH?

PapJam Scratch is a board game jam taking place in Copenhagen this every spring.

What is a game jam you might ask!

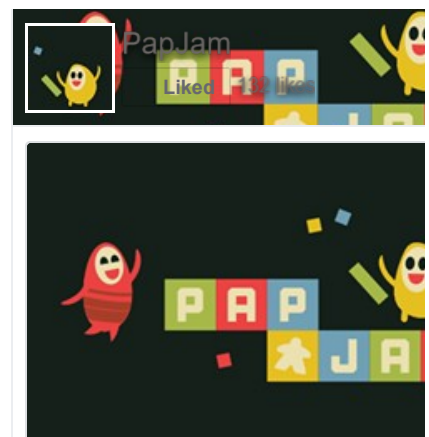

Well, a game jam is a bunch of people getting together and creating games. And with board games (unlike video games), that means you don't need to know anything other than how to play a board game.

The event is for everyone, from veteran board game designers to all those who love board games and have always wanted to try making one of their own.

## DO I NEED A TEAM?

No, it's totally fine if you don't have a team. On Friday we'll help people out in finding a team, and everyone ends up in a team. It's of course also fine to work alone or to come to the jam with a pre-existing team.
