Is it wrong you're not more broken up about Dad dying? Seriously though, it's been like he's dead ever since he locked himself away in that old house and stopped taking phone calls and visitors. Shudder. You hope you don't end up like that.

Honestly, you're more upset that apparently he talked to Milo to set this whole thing up. Milo, the golden boy. The leader. The nerd.

But you have to set a good example for Rick and the kids, right? Rick would never let his anger show, not even to you. So you just push all those hard feelings down into a place nobody will ever see them. Just like always...
