

Interior design is the art and science of enhancing the interior of a building to achieve a healthier and more aesthetically pleasing environment for the people using the space. An interior designer is someone who plans, researches, coordinates, and manages such projects.

A grocery store is a retail shop that primarily sells food. Grocery stores also offer non-perishable foods that are packaged in bottles, boxes, and cans; some also have bakeries, butchers, delis, and fresh produce.

Laundry refers to the washing of clothing and other textiles. Laundry processes are often done in a room reserved for that purpose; in an individual home this is referred to as a laundry room or utility room.

The popular definition of stock vs share: A stock is a share in the ownership of a company. Stock represents a claim on the company's assets and earnings. As you acquire more stock, your ownership stake in the company becomes greater.

When first I saw the eyes of the Innocent

Met the wide-open gaze

And the trust in a smile

I swore that day to snuff out the Light

When first I tasted the blood of the kill

Felt the violent shiver

And the crunch of the bones

I swore that day never to Die

When first I felt the beautiful Darkness

So deep in my soul

So strong in its glory

I swore that day to live by the Night

When first I saw them bow down their head

Pathetic and plain

Weakened with fear

I swore that day to rule them all
